## The Day My Shadow Ran Away

I was walking outside when I noticed something strange... my shadow wasn't following me. I stopped. It didn't. I waved my arms. Nothing!

Then suddenly, my shadow peeled right off the ground, stretched, and yawned.

"Finally!" it said. "I needed a break from copying you all day!"

Before I could grab it, my shadow zoomed away, sliding under cars, climbing up walls, and making silly shapes all over town. I chased after it, shouting, "Come back!"

Then my shadow turned around and said, "If you want me back, you'll have to catch me first!"
