Report from the Dean

Dear Families, Alumni, and Regis Supporters,

A chapter in our Regis story comes to a close as President Mark Gobler (Class of '73) has now formally announced his retirement. His last day of employment will be June 30, 2020.

Mark has been hinting and planning for this moment for almost two years now – always indicating to me how important it is to allow time and planning for a seamless transition to our next chapter. Now that moment is upon us.

Mark became President of Regis Catholic Schools in 2013. Completing seven years of service as President is an arduous, stressful, and often thankless task. I know because my own mother did it for Assumption Catholic Schools. During his years of service, Mark has been regularly and visibly present in our school buildings, our parishes, our liturgies, and our extracurricular events. He has brought his knack for noticing talents in our employees and encouraging ongoing development. He has left us with many talented “prospects” among our staff who are capable of serving in bigger and better ways. Thank you, Mark!

I have spent many hours praying, consulting, and discerning about the best path forward. Our Regis Central Office will be noticeably different when we begin the 2020-21 school year. In many ways, this chapter change in our Regis story feels as dramatic as the end of

Act One of a play. The curtain is closing, and our team will be bustling about to prepare for the entrance of new characters and new scenery. We will definitely be looking to you, our stakeholders, to join us as we form search committees and do our hiring.

However, just like in a play, you do not necessarily leave the set exactly as is when you make a transition to the next Act. In the weeks ahead, it is not a given that we just post vacant positions and hire. First, we need step back to look at the whole structure, asking where we are in our Regis story and what roles any new characters will need to play. It is quite possible we will do some restructuring and reorganizing.

To that purpose, we are placing Kelly Mechelke into an interim supervisory role in our Central Office. She will lead a review of our system's needs, our various roles and goals, our job descriptions, our organizational structure, and our team chemistry. She has been a proven team builder in our system and will be a great asset during this time of transition. Mark, myself, and others are there, of course, to support her in this important task.

There will be added support from the soon-to-be formed Management Committee. This will be a small group of confidential advisors chosen from our stakeholders. In addition to listening to their recommendations for the transition we presently face, we also hope to receive regular counsel from them and accountability in the month-to-month business operations of Regis Catholic Schools. This is an area of need identified by our third-party investigation, and reaffirmed by our Finance Council, Education Commission, and Pastors.

Here at Regis Catholic Schools, Our Core Values include living our faith, accepting responsibility, and achieving excellence. I am so proud of the ways we have grown in our Catholic identity and our academic excellence. I love and admire our staff. For their sake and yours, we need to take this serious look at how responsible and excellent we are on the managerial side of things. Please pray often for us this winter as we examine ourselves and consider how we can live out Our Core Values with renewed vigor.

We are deeply grateful to Mark and to all those who have played their parts during the course of our amazing Regis story – including each of you. Like any good play, there is sometimes drama, including joys and struggles and lessons learned along the way. With your help and support, we will ensure that the parts of our story that are yet to be told are even more amazing.

Thank you!

Fr. Derek Sakowski
Dean, Eau Claire Deanery

Report from the President

Greetings!

I have been blessed in so many ways in my life and I can trace it all back to being raised by loving and supportive parents. I appreciate the sacrifices they made to send myself and my five younger siblings to St. Patrick's School and Regis High School. My experiences at those schools instilled a value system in me that became the basis of the servant leadership and core values to which I practice throughout my life's journey.

Overachieving is a good thing and I did that as I found my best friend and spouse of 40 years. Thus, with Sandy's support and reflective prayer, I take this opportunity to announce to our alumni and supporters my retirement as President of Regis Catholic Schools effective June 30, 2020. I am fortunate to finish my 39 year career in education in the Catholic school system that had such a big impact on my life.

I obviously have a number of people besides my parents, wife, and my three daughters to thank. However, the list is long and I will have plenty of time to thank them personally. I would like to acknowledge the Benedictine

Sisters, Diocesan Priests, and lay staff from my days at St. Pat's and Regis who blended the proper amount of discipline and compassion, along with the academics throughout my formative years.

The timing of this announcement is strategic as to allow ample time for Regis Catholic Schools to start the process of hiring my successor. I know it will be a comprehensive search that will include many of our Regis Catholic Schools stakeholders.

Please know my appreciation for the alumni, friends, and families who continue to support our schools cannot be measured.

In the Spirit of the Lord,

Mark Gobler '73
President

2019-20 Regis Fund 10 Reasons to Give

1. The annual Regis Fund is the largest source of charitable and unrestricted income for Regis Catholic Schools.
2. The average student/faculty ratio is 18 students per faculty member.
3. Every gift matters...regardless of the amount! During last year's annual Regis Fund, the reason some gave for not giving was, "My gift would be too small to make a difference." This simply is not true! All gifts are important and valued.
4. The annual Regis Fund helps bridge the difference between tuition charged and the actual cost to educate each student.
5. Regis Catholic Schools would not be the same today without the support of its donors. When everyone takes special pride in what Regis Catholic Schools offers, we all help in continuing its mission.
6. The smallest and largest gifts of the annual Regis Fund last year were \$10 and \$20,000 respectively. Remember, no gift is too large or too small!
7. Graduates from the Regis High School Class of 2019 were accepted to 23 different colleges and universities.
8. A "matching gift" is a contribution from your company or your spouse's company that doubles the amount of your gift. Please consider this great way of giving.
9. The 2019 tax year ends December 31. Take advantage of this chance to donate now before that deadline!
10. Regis is tradition. Our alumni, parents, past parents of alumni, and friends continue to support Regis Catholic Schools because the education they or their family members received changed their lives. We appreciate the support of those who wish to continue the mission St. Patrick's began in 1932. We appreciate those who understand without monetary support, Catholic schools may become a thing of the past.

REGIS CATHOLIC SCHOOLS

AUCTION

The 27th annual Regis Catholic Schools Auction was held on Saturday, November 2 at The Florian Gardens in Eau Claire. Thanks to the generosity of our friends and supporters, this year's event helped raise \$149,200.

Of that total, \$96,850 will support our St. Benedict Tuition Assistance Scholarship program, which helps make a Regis Catholic Schools education affordable for all families. In addition, our Fund-a-Need helped raise \$52,350. That money will be used to replace the computers in our three elementary school computer labs and to help support the Regis Catholic Schools Leadership Community Professional Development Program, which gives our teachers a chance to further their education.

Eleven seniors will play their last game at Camp Randall, the same location where they ended their freshman season as state champions. A huge thank you to all of the players, coaches, team assistants, trainers, and parents for their commitment and dedication to Regis Football. Go Ramblers!
